

## Mattresses & Covers

Tarry manufactures more than 100 different mattress sizes to fit a broad range of hospital incubators, warmers and bassinets. Made from thick foam and DEHP-free vinyl, our mattresses provide a high quality replacement option versus OEM mattresses. Custom sizes are available at no additional cost versus standard products.

- Soft foam core
- Easy-to-replace vinyl covers
- 1" or 2" thicknesses available
- Single patient use
- Not made with natural latex rubber (latex-free)
- Made in the U.S.A

DESCRIPTION	ITEM #	QTY./BOX
Mattress for Air Shields® C-86 & C-100 Incubators 14" x 24" x 1"	T-11770	10
